
Title: Kazar's Journal

Author: Kazar

Poor Ug.

I feel bad for
using him.

It seems the
virtues agree,

I have visited
the eight
shrines
and have
meditated
at each with
no response.

It seems
the shrine
of Chaos
is the only
one that
will answer
me now.

My fate
is sealed.

I hope
he is
not the
target
of my
brother's
wrath.
He has
decided
to seek
out the
Orcs and
learn of his
heritage.
I hope
he is
not the
target
of my

brother's
wrath.
